About me

Since I was a child I have always had a passion for technology, and this led me to challenge myself and do a Coding Bootcamp, where I found in programming what motivates me to keep myself in constant learning.

In my years of work experience what I value the most are the aptitudes and skills developed in pursuit of excellent teamwork and a fully satisfied customer.

Web Development Experience

Hogarth Worldwide, *WOW Magazine* [🔗](#)

09/2022 – 10/2022

Group project developing a web page for a female oriented magazine. The site has completely dynamic desing and all sections can be laid ouy according to editorial needs.
